**Ladies' Coats, Suits and Silk Dresses.**

THE backward season has left us with larger stocks than usual of Coats, Suits and Dresses. We have gathered them into different groups at one price for each group, and are offering them for a limited time only at prices you will not see again for a long time to come. The excessive rains we have had this spring have extended over the most of this country and the shortness of the season is forcing merchants and manufacturers to take the loss on these lines. Our loss will be your gain, come and take your pick.

SUITS	COATS	DRESSES

\$49.50	\$34.45	\$48.45, \$74.45

These prices when compared with percentage reductions will show greatly in your favor. There are no jobbing house garments in this line, but are all from factories of the better class.
